PHASED BIOGRAPHY

Once a stoner band, nowadays Phased play a sort of heavy, leaden, and groovy psychedelic doom – motor doom, as their former label fittingly baptized it. Six years after their last studio recording, we are proud to release their latest and heaviest album so far - AEON.

Seven monoliths of down-tuned guitars, slow beats and a subtly threatening vocal treatment, that were recorded by Chris Sigdell, Marko Lehtinen and Michael Greilinger (guest bass-player) at Helium Records in Basel. The album was mixed by Richard Whittaker in London and mastered by Greg Chandler in Birmingham.

Today's Phased came to as a trio in 2001, morphing out of two earlier formations. Since then Phased played at well known festivals like Stoned From The Underground, Up In Smoke or Doom Shall Rise and numerous single shows with acts like Mastodon, High On Fire, Orange Goblin, Spirit Caravan and many more.

We follow this brilliant Swiss trio since their beginning, the more it's an honor for us to put out their fourth album as CD, LP and digital download.
