## WOLF COUNSEL BIOGRAPHY

WOLF COUNSEL came into existence in 2014 when two veteran musicians merged their enthusiasm for monumental low-tuned music and a great appreciation of heavy riffs into a new band. Primarily rooted in the style of late 70s and 80s prototype DOOM, Sludge and Metal their sound quickly developed a unique signature drawing influences from everything that's HEAVY and SLOW. Also a full line-up for further live shows was quickly formed.

In January 2015 their debut album "Vol. I - Wolf Counsel" was released digitally, on vinyl and CD by Counsel Records/Dead Center Productions.

After only twelve months Wolf Counsel's second album "IRONCLAD" (7 songs with an approx. running time of 45 minutes) was written - recorded, mixed and mastered at Little Creek Studio (Destruction, Panzer, GurD, Emerald, Palmer and more) by V.O. Pulver for a release in September 2016 by Czar Of Crickets Productions (Zatokrev, Phased, Palmer, GurD, Ashtar, Unhold and more). Wolf Counsel's music has been called „authentic, and elegantly classic“ by various print and online magazines with comparisons to a „nonstop evoking riffage summoning forth an experimental urge to slaughter a herd of sheep with razor sharp groove and bludgeoning vocal girth.“ Keep It Heavy – Keep It Slow!

Even before WOLF COUNSEL the bandmembers always had a deep interest in the arts of uncompromising spirituality, mysticism and philosophy. These views and ways are strongly reflected in their lyrical and visual expression.

Keep It Heavy – Keep It Slow!
